I was told by the DEA that they send out admittance letters 6-8 weeks before the course starts. I sent my application months ago and am awaiting this packet from them. Do I still book all my travel even though I have not definitively heard from DEA?

Hello

In reference to flight info, you will need to book and purchase your tickets **ASAP**. You will also need to call the hotel (Hyatt Place Sterling 703-444-3909) and make reservations as well. As far as registering for the DEA course I believe that is a Julie question, I don't know how that works out. If you have any other questions please let me know how I could assist you .

Thanks
